

SPONSORSHIP

BRUNSWICK SHOW

BRUNSWICK AGRICULTURAL SOCIETY

BRUNSWICK SHOW SPONSORSHIP

Dear Sir/Madam,

We would like to invite you to partner with us for the 2025 Brunswick Agricultural Show which will be held on 25 October 2025 at the Brunswick Showground.

Our annual event brings together a diverse community of people from all walks of life to enjoy agriculture, entertainment and experiences, as well as showcase local businesses and organizations.

As an important member of our community, your support would help make this year's event even more successful. Your sponsorship would not only allow us to offer an exceptional experience to our attendees but also help us provide more opportunities for local businesses to connect with potential customers.

The partnership levels are detailed in the Prospectus which is enclosed. Partnership income will be used to help cover the costs of running the show. We also welcome partnership in kind and provision of product.

Thank you for considering this sponsorship request. We look forward to the opportunity to work together and make the Brunswick Show a truly memorable event.

David Power

Brunswick Agricultural Society President

THE BRUNSWICK SHOW

The Show Committee was formed in 1931 by local farmers and residents to show their livestock, farm and home produced wares. The Show now attracts exhibitors and judges Australia wide and has the reputation of being one of Australia's Biggest One Day Shows. It aims to provide entertainment while still maintaining its agricultural focus.

The Brunswick Agricultural Show is traditionally held on the fourth Saturday in October. It is a great opportunity for potential sponsors and exhibitors to be front and centre with more than 17,000 people coming through the gate.

The first show occupied the area of the current side show alley. It has since grown in size to incorporate all of the Brunswick Recreation Ground. Originally the pavilion exhibits were displayed in various venues on the site and in the Brunswick Hall before the Tom Pearson Pavilion was built. All exhibits were dismantled and the hall redecorated before the Show ball took place that night.

Many improvements have been made to the site including the construction of the Tom Pearson Pavilion, Recreation Centre, Alan Evans Selling Complex, livestock yards and holding pens, Ridley Poultry Pavilion, Lions Animal Nursery, food block area and Peters Park in recognition of the support from Peters' Creamery.

The Brunswick Agricultural Society places emphasis on supporting the local community. It prides itself on the huge effort of volunteers who make it one of Harvey Shire's biggest one day events.
