## WHO CAN VOLUNTEER?

We welcome individuals of all ages and skill sets. Whether you're a seasoned professional or a newcomer looking to lend a helping hand, all assistance is genuinely appreciated and valued. From assisting with setup and logistics to engaging with attendees and participating in activities, there's a role suited for every volunteer. Every contribution, no matter how small, makes a significant difference!

## WHY VOLUNTEER?

Volunteering with the Brunswick Ag Society offers numerous benefits, including skill development in event organisation, teamwork, and communication. Your involvement supports the region's agricultural heritage and local farmers. Additionally, volunteering provides fulfilment and pride by contributing to the success of the Brunswick Show and fostering community belonging. It's a rewarding experience that embraces the spirit of agriculture.

## WHEN ARE VOLUNTEERS NEEDED?

The Brunswick Ag Society work all year round.

Starting in July, every Friday morning between 9am and 12pm we have our 'Busy Bees' at the Show Grounds where the preparations for the Show begin - repairs, painting, cleaning, you name it! The week leading up to the Brunswick Show is our busiest time of the year. Lots of our volunteers are at the Show Grounds early morning till late at night each day during Show Week getting everything ready for a fun filled Brunswick Show!

Please note, our volunteers do not qualify for free entry into the Brunswick Show.
